SIR:

Applicants filed the national stage papers under §371 of the PCT application PCT/DE97/01740. The PCT application claims priority of an earlier application, namely PCT/DE97/01315, filed 24 June 1997. The claim for priority benefits under 35 U.S.C. §119 has been made in the Declaration of the inventors and the priority application has been identified. A copy of the priority application has been provided to the Patent Office as noted in the Notification of Acceptance. However, the priority information is missing from the filing receipt.

Applicants submit that the necessary requirements have been met for priority benefits. Accordingly, a corrected filing receipt indicating the priority

information is hereby requested.

Respectfully submitted,
